

2004 National Targhee Show & Sale Edition

SHOW & SALE WRAP-UP

A special thank you goes to Tom and Lisa Bell of Shadow Sheep Farm for hosting a wonderful three day event in Kirkland/Belevidere, Illinois, July 15-17 at the Boone County Fairgrounds.

Participants in this year's National Show & Sale were treated to a welcome BBQ at the Boone County Fairgrounds the evening of July 15th.

The Junior Show was also held July 15th. Thank you, Todd & Lynette Taylor for organizing the event. Another thank you goes to our junior show judge, Bernie O'Rourke, from the University of Wisconsin Extension Service. She did a terrific job of judging while providing junior members instruction on showing their animals. Rod Kuenzi, representing the Wisconsin Targhee Sheep Breeders compensated Bernie for her effort. Thank you to the Wisconsin association.

Kent Spilde judged the 2004 National Targhee Show. Association members were impressed with Kent's knowledge of the Targhee breed. Kent is the husband of Christine Mann Spilde, and the son-in-law of former USTSA board member and long time Targhee breeder George Mann (Circle M Targhees). Thanks to Kent for a job well done. Complete show and sale results can be found on the reverse side of this page.

The annual meeting of the membership was held after the show. (See following article.) Following the meeting Bob Padula gave a demonstration on evaluating sheep to determine if they meet Targhee breed standards. He stressed the need for members to inspect their animals prior to registration.

The evening of July 16th the membership was treated to an outstanding dinner of lamb provided by Tom & Lisa Bell at the Clock Tower Resort. Tom & Lisa presented members with camp coolers for their respective placings in the show. Glenn and Joan High received the 2004 Premier Breeder Award.

Bob Johnson, of Badger State Auction, then led members in a brisk auction. With Bob's help the association raised **\$1465** for the general fund and a record **\$845** for the 2005 Junior Show. A special thanks to all members who donated items to be auctioned, especially the Kuenzi Family for donating the beautiful hand-tied, wool batted quilt and sheet set. Those items alone, bought by George Mann, raised **\$300**. Another special thanks goes to Randy Gottfredson who won the 50/50 raffle (**\$252.00**) and donated it all back to the association!

ANNUAL MEETING REPORT

The membership was introduced to the new secretary, Tracie Roeder, who gave financial and registration reports. The current balance in the savings account was noted as **\$4,759.80** with **\$1,926.90** in checking. From April 15th to July 12th, **269** sheep had been registered with **104** more pending.

As George Mann's term (Eastern Director at Large) on the board expired, Vice President Rod Anderson opened the floor for nominations. Marcia Stulken nominated Linda Clements. Duane Scheibe nominated Charles Dwight. After statements made by the nominees and voting by the membership, Linda Clements was elected to the board.

Bob Padula's term representing the Central Plains also expired this year. Nominated by Rudy Erickson, Bob agreed to run for another term, and was unanimously elected by the membership.

Susan Millikin and Lisa Bell from the Promotion Committee reported that new t-shirts and sweatshirts were ordered and are available to the membership. Also, ordered were 2005 Targhee Sheep Calendars. All 25 calendars (\$16.00 apiece) sold at the National Show & Sale. If members are interested in purchasing clothing or placing orders for additional calendars, they should contact the breed secretary.

George Mann motioned to have the 2005 National Show and Sale in Montana. The motion passed unanimously.

In an effort to save the association money Glenn High moved to send out National Show & Sale Entry Packets and Catalogs by request. The motion passed unanimously.

Charles Dwight spoke about the USDA Scrapie Eradication program and encouraged members to participate. Warren Nellis heartily agreed with Charles, and encouraged members to go a step further by joining NSIP.

A motion was made by Charleen VonKrosigk to set a floor of \$150 for all animals sold at the sale. After discussion, this was agreed to by the membership. Members also agreed to owe the association the commission if the animal was no-saled. The meeting was then adjourned.

Congratulations to:
 Rod Anderson, President
 Bob Padula, Vice President
 - Elected by the USTSA
 Board of Directors

2004 TARGHEE NATIONAL SHOW & SALE RESULTS
