## Objective Genetic Evaluation of Your Sheep

Buy a car without knowing its MPG rating? - Maybe.  
Buy a home without an inspection? - Probably not.  
Discover your surgeon graduated last in their class - ???

## When buying livestock, do you want to know any less?

The following Targhee NSIP producers have breeding stock with records which objectively measure maternal, growth, wool, and production traits in their sheep. Contact them to put NSIP to work in your flock.
